Institute

IMPACS

Please provide a brief summary of your project (150 word max)

I am implementing Procedural Generation Algorithms in order to create a small, cohesive nature scene. In doing this I am using C++ and OpenGL, using the project as a way to become more familiar with both system's concepts.

Where appropriate, do you have consent for the publication, reproduction or use of any unpublished material?

Not applicable

Will appropriate measures be put in place for the secure and confidential storage of data?

Yes

Does the research pose more than minimal and predictable risk to the researcher?

No

Will you be travelling, as a foreign national, in to any areas that the UK Foreign and Commonwealth Office advise against travel to?

No
